

OUR STORY

I've always had a passion for good food and great wine. After spending over 20 years in Corporate America, I chose to shift gears and turn my love of food and wine into a legacy for my family. Buckeye Lake Winery is committed to producing great wine by bringing the Napa Valley experience home and creating an atmosphere of relaxation and recreation on the waters of Buckeye Lake.

We work directly with the growers in Napa Valley, Russian River Valley, Sonoma and Lodi regions. We travel to California each fall to evaluate the grapes and determine when to harvest, coordinate and participate in the harvest.

We lease space at custom crush facilities (owned and leased) for aging, blending and bottling. This hand-on approach from start to finish ensures a Napa quality wine since we start with the grape.

My vision for Buckeye Lake Winery is to create a casual but elegant restaurant and winery that pairs simple foods with great wines.

Whether it's a casual dinner or special event, my dream is to create a wonderful destination place with beautiful views, comfortable food and great wine. Thank you for stopping by today.

We hope you thoroughly enjoy your visit.
